

Meeting 12 - *Communiqué*

10 July 2009

The twelfth meeting of the Natural Resource Management (NRM) Council was held on Friday 10 July 2009.

NRM Council members analysed and discussed the strategic NRM issues it had been working on since the inaugural meeting of September 2007. It was agreed that a copy of this documentation would be forwarded to the Minister.

The main item on Councils agenda was their discussion around the recently released Review into NRM, commissioned by the Minister for Agriculture and Food, the Hon Terry Redman and the Governments Response to this Review¹. Subsequently, Council agreed to submit their advice to the Minister against specific recommendations in the review.

The Chair will meet with the Minister to discuss this advice and the activities of Council into the future in August 2009.

The Next NRM Council meeting is scheduled for 4 September 2009.
